Intro: G D C D (x 2) {2 beats per chord}

I would have given you all of my heart
but there's someone who's torn it apa--aart
and she's taken almost all that I've got
but if you want, I'll try to love again
baby I'll try to love again but I know

- The first cut is the deepest, Baby I kno-ow, the first cut is the deepest
- 'Cause when it comes to being lucky she's cursed
- When it comes to lovin' me she's wo-o-orst
- But when it comes to bein' loved she's first, that's how I know
- The first cut is the deepest, baby I kno-ow,
The first cut is the deepest

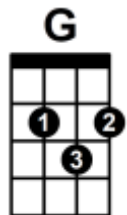

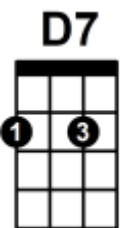

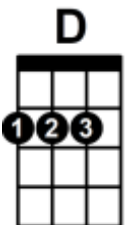

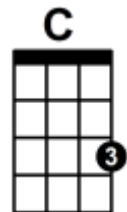

Chorus

I still want you by my side, - Just to help me dry the tears that I've cri--ied
